## M9A3 - 9mm

With the M9A3 semiautomatic pistol, Beretta has created a coming-together of all the tactical and functional features that today's combat professionals may require. From Vertec-style thin grip to universal slide design convertible from safety-decocker to decocker-only, from a beveled magazine well to oversize mag-release button, from a 3-slot built-in Picatinny rail to high-capacity capability for maximum firepower, the M9A3 was designed to deliver the performance that military and law-enforcement professionals demand.
