

NARFP

NEW ASSAULT RIFLE PLATFORM

PRÆTORIAN

EVERLASTING LEGACY.
UNMATCHED PERFORMANCE.

PRÆTORIAN

The NARP Praetorian, chambered in 6.5 Grendel, is a precision-engineered rifle designed to deliver tactical superiority. Built for consistent long-range accuracy, it combines advanced ballistics with a compact design and intuitive ergonomics to maximize shooter performance in dynamic combat environments. Designed for operational flexibility, it features a threaded barrel and an optimized gas system for a reliable suppressed fire. Whether used for designated marksman duties or precision support operations, the Praetorian offers unmatched adaptability, control and lethality.
